

## TESTIMONIALS

Very informative and unique training course. We come to understand the impact of better maintenance on organization's profitability.

- Satyasheel Pandey, Senior Engineer, Hindalco Industries Limited

The programme was organized well and carried through nicely. Programme pattern was highly appreciable – overall excellent programme.

- Mohit Dwivedi, Senior Engineer, Shree Cement Ltd.

Before this programme, I was in “No Problem” area. Now, after the programme, I can confidently use my creativity to solve a number of problems.

- Abhinav Maheshwari, Maintenance Engineer, Shree Cement Ltd.

This programme changed my idea about better maintenance and also the relationship of maintenance with other departments in order to reach minimum down time.

- Manoj Kumar Upadhyay, Asstt. Manager, Prakash Industries Ltd.

Awareness and knowledge about preventive maintenance was increased significantly. Cost effective approach to maintenance is now very well understood.

- Ajay Pandurang Tambule, Engineer, Mumbai Port Trust

This programme helped me in enhancing my knowledge about latest concepts and techniques regarding maintenance. By applying these, we can achieve zero breakdowns.

- Rakesh Ranjan, Engineer (Maintenance), PSL Limited

After attending the programme, I feel more confident about preventive and predictive maintenance practices. The training programme was highly informative and educative.

- Mohit Agarwal, Asstt. Manager (Mech.), Ballarpur Industries Limited

Only after undergoing this unique Practice-oriented Course in Maintenance Management, a person can become a complete maintenance manager.

- Sanjiv Kamble, Dy. Chief Engineer (Mechanical), Rashtriya Chemicals & Fertilizers Ltd.

Now, I can plan and finish my maintenance jobs effectively. Also, I have become more aware of indirect maintenance cost on account of losses due to down time.

- Soni Mitesh V., Sr. Engineer (Automation), Rajashree Polyfil (A Divn. of Century Enka Ltd.)

Practice-oriented Course has changed my perception to look at Maintenance Management in a different way and its importance to reducing manufacturing costs.

- Yashavant Bhanrao Yadav, Senior Engineer (Plant Engineering & Maintenance), Sandvik Asia Ltd.

I got good knowledge of planned maintenance as well as maintenance management. It will be much helpful to reduce maintenance cost in my department.

- D. C. Pandey, Asstt. Manager, Hindalco Industries Limited

My vision towards maintenance has changed completely.

- A. A. Gote, Asstt. Executive Engineer, Mumbai Port Trust

Before this training programme, I was not clear about the aim of maintenance and used to think maintenance as a thankless job. But now, I think that maintenance is an essential part of plant activity and feel proud that I am working in maintenance department.

- Lavee Gupta, Jr. Engineer, Shree Cement Ltd.

It was a life changing experience. It changed my perception and approach towards various problems faced in the plant.

- Nishant Prajapati, GET, Shree Cement Ltd.

The programme proved much learning experience. I realized that this topic on “Creativity and Problem-solving Management” is not only essential to solve plant problems but also those encountered in one’s personal life.

- Dinesh Kumar, Mechanical Engineer, Mines Deptt., Shree Cement Ltd.

After completing Practice-oriented Course in Maintenance Management, I feel very confident of any kind of maintenance job that comes my way. Now, I feel like one man’s maintenance army.

- Vasu Dewan, Asstt. Manager, Devans Modern Breweries Ltd.

I found new excellent ways of problem-solving techniques related to maintenance activities to accomplish them in an economical and effective manner.

- Praveen Agrawal, Engineer, Sterlite Technologies Ltd.

I feel myself enriched with deeper knowledge of variety of problems faced by maintenance personnel and the appropriate ways to solve them.

- Sanjay S. Mahindrakar, Asstt. Manager (Maint.), Legrand (I) Pvt. Ltd.

Got motivated after attending the course. I will try to train my staff but if such programmes are conducted for all categories, it will be much better.

- Iqbal Ismail Bamne, Junior Engineer, Mumbai Port Trust

It has completely changed my perception of looking at maintenance function in a different way. Overall very good maintenance programme.

- P. K. Narkar, Junior Engineer, Mumbai Port Trust

Life time learning to know the techniques of Brainstorming. Learned creative thinking – to see familiarity in unfamiliarity and unfamiliarity in familiarity.

- Sanjay Chaturvedi, Deputy Manager, Shree Cement Ltd.

Now I really understand the meaning and the purpose of maintenance and received lot of fruitful knowledge.

- Sunil Balkrishna Chavan, Engineer, Keihin Fie Pvt. Ltd.

It was a value addition to maintenance activities that we do in our daily life. Got an opportunity to know latest tools which will help a long way.

- Pradip Kumar Singh, Assistant Manager (Mechanical), Rajashree Polyfil (A Divn. of Century Enka Ltd.)

After attending the training programme, maintenance management concepts have become more and more clearer and transparent.

- G. R. Kulkarni, Automation Manager, Syngenta India Ltd.

Importance of thinking every aspect of maintenance activity with economic angle was very well understood.
